Westside Grand Opening Celebration Sunday, September 7

Important reminder: The Grand Opening of my new Westside office is coming right up on Sunday, September 7, at 6 – 9 pm. The address is **2931 S. Sepulveda Blvd.**, LA, 90064 (between Hamburger Habit and the erstwhile Hamburger Hamlet). Find parking behind the strip mall, and then walk up the stairs by the breezeway. Take this chance to get to know the new location. It's probably closer than you think! It will also be a good opportunity to meet Robert and just to celebrate the new school year with friends. Catering will be provided by Baja Bud's, and even my Mice of Morale will be there. I will have door prizes and a few remarkable tutoring **coupons** to choose from (but you must be here to claim one!)

Weekend Openings

Due to the recent relocation, my GRE business is slow and classes are getting cancelled. This creates short-term openings for you to consider. **Saturday 1:00 house calls** are now available through Oct. 11. **Office lessons are available Sundays 6 – 10 pm** from Sep. 14 – Oct. 26.

Spring Schedule is Online

The appointment calendar has been opened through the end of the school year, June 7, 2015. For those of you who had already made recurring appointments through December, I extended them automatically through June. Please make any changes that may be necessary, especially Spring Break, holidays, and the very end of the school year. Others may make new appointments at any time. My only holiday will be Easter weekend, April 4 – 5.

How to Make Referrals

When referring me to friends, please give out the information as it appears on this letterhead. The office number is 310-499-3285. Consultations directly with me are now available by appointment only. The website may be found at NthDegreeTutoring.com or TutorInLosAngeles.com. The latter is much easier to spell, understand, and remember.

Facebook Page

If you haven't checked it out yet, the new Facebook business page is at <https://www.facebook.com/pages/Nth-Degree-Tutoring/222040431198638> (It's also accessible with the Facebook button on my website). You can "Like" or "Follow" this page, or "Share" it with a friend or on your wall. This is another great way to make referrals.

The Facebook page has additional pictures that illustrate how to find the new office.

Another great use of the Facebook page is to post updates about your success stories. Please write on the wall to let me know about your test scores and college admissions, etc.

GRE Class Schedule

We are now enrolling the next Saturday afternoon GRE session, October 18 – November 22 at 12 – 3 pm. We must receive deposits from three students by October 4 in order to reserve the class.

It pays to prepay!

Effective November 1, lessons that are not pre-paid (more than 24 hours ahead of time) will be priced \$10 / hr more than pre-paid lessons. This is another compelling reason to prepay, other than locking in current rates. If you are in a pinch, pre-payment is not absolutely necessary. In fact, I grant students up to \$200 credit if necessary. But during normal times, you are encouraged to make payments one lesson ahead, or one month ahead if you are a weekly regular. It's also easy to pay for lessons immediately as you book them on the website calendar.

College Admissions

Please note that I am available for assistance with college admissions, including essays and consultations as well as entrance exams. I have helped students get into schools such as UCLA, Yale, and Columbia. I hope to make this a more regular part of my practice in the future. I am adding a few new college admissions books to my tutoring library.

Tuesday Daytime Lessons

The office is now open Tuesdays all day from 10 am to 10 pm! Adults can schedule lessons during the day while teens are in school.

Happy New School Year!
Scot
