Tuesday Daytime Lessons for Adults

The office is now open Tuesdays all day from 10 am to 10 pm! Adults can schedule lessons during the day while teens are in school.

Walk-In Hours: Promotion & Procedure

Tuesday “rush hour,” 3 – 5 pm, is still open for walk-ins with no appointment required. The focus will be on high school students on their way home from school, though it is open to everyone. To promote rush hour, I am offering one free hour for the first student from each school!

Here are some specifics about how the rush-hour system will work. It’s best to put down an estimated deposit beforehand or when you arrive. Walk in anytime between 3 – 5 pm on a Tuesday. I will send you a text message when you first arrive and another when you leave (just one log in / log out per day). I will then bill you \$40 / hr for your punched time, rounded to the nearest quarter-hour. It is to be understood that I may not be able to work with you constantly while you are here, as my time may be divided among other students and / or consultations. But of course, you can’t beat the price!

Special Midterm Walk-In Hours

October is scary, not just for Halloween, but Midterms Madness! I would like to welcome everyone to **special midterm walk-in hours** at the office on Sundays from 6 – 9 pm through the duration of this month. Rates will be \$40 / hr just like Tuesday walk-in hours.

GRE Class Updates

The Saturday GRE class of 10/18 – 11/22 is now guaranteed! Furthermore, we are accepting deposits as late as 10/17, the day before class begins. Either order your books before 10/11 or bring an extra \$25 so we can provide you with a book. Enrollment is limited to the first 10 students to provide deposits. This option is best for students who can wait more than 6 weeks. It offers

assessment, admissions counseling, and structure, at the best hourly rate (\$25 / hr).

Many students have more immediate needs, so I would also like to announce new **Sunday evening walk-in hours**, 6 – 9 pm. You can walk in and pay just for the evening you need (\$40 / hr). With revolving enrollment, these sessions will be much more improvised than the Saturday classes.

Please note that if you were interested in the Sunday class of 11/02 – 12/14, it is being replaced with the new walk-in format.

House Call Rate Change

The price of house calls will be increasing to \$100 / hr as of December 1. As always, remember that your lessons are billed according to when they are paid. Whatever lessons you pre-pay by November 30 will be billed at the current rate of \$90. Prices at the office will not be changing at this time.
