Walk-In Subscriptions

I no longer require pre-payment for walk-in lessons, as no appointment is necessary. However, I am now offering monthly subscription plans. Consider one of these plans if you think you may have a great need for walk-in lessons for a few weeks.

A monthly subscription of \$200 will entitle you to full access to after-school walk-in hours, Tuesdays 3 – 5 pm.

A monthly subscription of \$300 will earn you full access to evening walk-in hours, Sundays 6 – 9 pm.

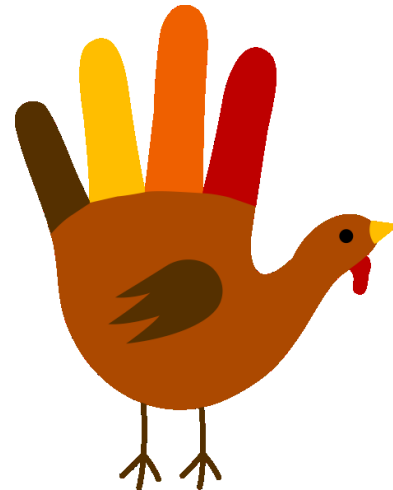

A monthly subscription of \$450 will earn you full access to walk-in hours on both Tuesdays and Sundays.

Holidays

I do not take any time off for Veteran's Day. If you need to cancel any lessons for that holiday, please do so ASAP.

Thanksgiving break will be Wed 11/26 – Sun 11/30.

The last business day of the year will be Wed 12/17.

High Fives!

Christina Cornelius is going to Harvard! She is a volleyball star but needed a little extra work on her ACT score. We brought it up from 22 to 28. "I couldn't have done it without you!" she cheered.

Congratulations to Nandita Seshadri, who got an official GRE composite score of 326 after taking my six-week class. Her math score of 165 was a massive 15-point improvement!! Great job, Gwen Hopkins, for an official composite GRE score of 329! Her math score improved from 52nd to 74th percentile after studying with me.

Justin Kramer of Beverly Hills High brought up his AP Statistics test scores by an amazing 25 percentage points!!

**Reminder: Pre-pay this month
to lock in current house call rates**

House calls are set to go up on Dec. 1, so if you pay ahead by November 30 then you will avoid this rate hike. You can pre-pay as many months ahead as you want. Pre-payments made by November 30 will be billed at the lower November rates.

Of course, house calls are not your only option. I offer a full suite of services to fit all budgets! All fees are summarized in the fall-colored box.

Available time slots

House calls, Mon 4 – 5 pm: Most are open in Nov – Dec.

House calls, Mon 7 – 8 pm: open Jan – Jun.

Office lessons, Tue 10 am – 1 pm and 7:45 – 10 pm: open Nov – June. I would convert the evening time frame to an 8:30 – 9:30 house call according to my standard off-hours options (non-refundable pre-payment a month at a time, or time-and-a-half for individual lessons).

Office lessons, Sun 3:30 – 4:30: Open Nov – June.
