November, 2015 Newsletter

Thanksgiving Hours

I will be closed on Thanksgiving Day itself (Thu 11/26) but will otherwise remain open that week. Lessons on Wed 11/25 will be scheduled as normal. GRE classes will not meet on Thanksgiving weekend (Sat 11/28 – Sun 11/29). Office lessons will be available by appointment that Saturday from 12 – 3 pm and that Sunday from 3:30 – 6:30 pm, in addition to ordinary appointment times.

The next GRE, LSAT classes

An LSAT class is now on the calendar for the Saturdays of January 9 – February 16, 12 – 3 pm. The enrollment deadline is Saturday, Jan. 2. It will be a \$475 / six-week introduction to the LSAT exam.

The next GRE class will be offered on the Sundays of January 10 – February 17, 3:30 – 6:30 pm. The enrollment deadline is Sunday, January 3.

Spring Schedule Changes

The Spring 2016 calendar has been updated and is available online for [appointments](#). Note the following changes:

- House calls will only be available one day a week, on Thursdays.
- I will be discontinuing walk-in hours.
- After-school lessons will be available as early as 3:00.

Free MCAT study group

I have experience tutoring the MCAT physics section, and exams equivalent to the English section. I am planning to study the other two sections (biology and psychology) so that I can take the exam myself next year and then start offering regular MCAT lessons. While I am studying for the MCAT, I welcome students to join me for the bio / psych sections for FREE! The physics and English portions will be billed as usual. Alternatively, we could study all four sections together at 50% off. Dates are not firmed up yet, but if interested, please contact me ASAP.

Eva returning

Eva plans to be back in the first week of November.
